Did you know that tuition for private and religious elementary and secondary schools was added to the list of qualified Missouri MOST 529 expenses allowing participants to withdraw up to \$10,000 per year from your MOST 529 account tax-free to pay for K-12 tuition? Using a MOST 529 Plan allows a state income [tax deduction](#) for money contributed to the account. Save money on your taxes now while paying for your child’s current education expenses. Each child will need a separate account for this.

Any amount contributed by a family above the tuition outlined qualifies as a tax-deductible donation.

Scholarships, grants, and tuition assistance is available. Please contact Father Hambrough at PHambrough@archstl.org

- Tuition Payment in full by check payable to Queen of All Saints due by June 30, 2023
- Blackbaud Tuition. I was enrolled in Blackbaud Tuition during the previous school year and would like to continue automatic deductions through Blackbaud Tuition. Please note: If you were enrolled in Little Saints' Academy through Blackbaud Tuition in the previous year and your child will be attending Queen of All Saints School this year, you will need to re-enroll in Blackbaud Tuition for "Queen of All Saints School." If you have a child in both the elementary and Little Saints Academy, you have two separate payments. You have the ability to schedule both payments on the same day or have them split between the 5<sup>th</sup> and 20<sup>th</sup> of the month.
- Blackbaud Tuition. I wish to enroll in Blackbaud Tuition and pay tuition through automatic debit from an account of my choice. I will complete the enrollment for Blackbaud Tuition at [enroll.blackbaud.school](http://enroll.blackbaud.school) by April 1, 2023

I understand that if I fail to make payments by the specified due dates, inaction will result in late charges and/or bank charges assessed by Blackbaud Tuition. If I need to make changes to my account, I will contact Karen Leeker at the parish office at 314.846.8207.
