Did you know that tuition for private elementary and secondary schools was added to the list of qualified Missouri MOST 529 expenses allowing participants to withdraw up to \$10,000 per year from your MOST 529 account tax-free to pay for K-12 tuition? Using a MOST 529 Plan allows a state income tax deduction for money contributed to the account. Each child will need a separate account for this. <https://www.missourimost.org/home/529-features/tax-advantages.html>. In addition, any amount contributed above the tuition outlined qualifies as a tax-deductible donation. Scholarships, Grant, and Tuition Assistance are available.
