All About Mrs. Key

Mrs. Key is an amazing enthusiastic teacher at Queen of All Saints. There is a lot about her that you would want to know. An interesting fact about her is that she wanted to become a travel agent before becoming a teacher. She enjoys traveling the world and exploring new places.

Mrs. Key had many reasons why she wanted to become a teacher. One of them is because she likes reading and reading to kids. She loves books, and the bookstore, of course. She is also very creative. Creativity plays a big role in being a teacher.

Mrs. Key loves school traditions and her students do too! On the first day of school, they always organize all their supplies to prepare for the upcoming school year. When they are finished organizing, she reads a special story to her class. It could be a funny fiction book, a realistic fiction, or maybe even a fantasy. You will never know!

Some good advice she would give to a new teacher would be to just have fun. Mrs. Key loves having fun in and out of her classroom. She enjoys the fun of teaching and helping kids learn new things. Wow, I wish I had Mrs. Key as a teacher!

If Mrs. Key won the lottery and quit teaching, she would take a trip to Paris. She loves traveling and would love a relaxing trip to Paris. Since she loves teaching and reading so much, she would also volunteer to help kids learn to read. She enjoys reading to little kids and thinks that it would be a fun thing to do in her free time. If I loved reading that much, I think I would do that too!

Speaking of Paris, that is her literal dream vacation! I can see why. There are so many things to do there! You can visit the Eiffel Tower, go to Disneyland Paris, and even go to Secret Food Tours! I've also heard that museum passes are a must in Paris.

Mrs. Key loves sports! She enjoys the Cardinals and the Blues the most. She loves to decorate with sports team decor, even in her classroom! Everyone loves good decor!

Mrs. Key has a love for animals, especially dogs. She has a Yellow Lab named Buddy. Buddy sounds like so much fun, and I'm sure she loves Buddy like her own kid! I mean, if I had a cute yellow lab like Buddy, I think I would too!

Mrs. Key loves good food. When she eats out, her favorite places to go are Mission Taco or Chevys. I haven't been to either of those places, but I'm sure their food is great! Maybe I should go with her sometime.

Mrs. Key loves to shop! She probably likes to shop at about every place she can think of! Although, she does like to shop on Amazon. Whenever she goes on trips or vacations, she also likes to shop at the gift shops there! Mrs. Key is such an interesting person to learn about. She is full of joy and excitement and loves many things in life!
