We do have Go Guardian for teachers to monitor them. A friendly reminder is needed for teachers to keep an eye on that.

- Mask Update/Quarantine Guidelines

 - Bethany is planning on meeting with Covid Task Force Committee and teachers about Quarantine procedures.
 - It was reminded that "emergency" meetings can be requested to help give feedback about decisions before they go out to the rest of the school community.
- Middle School/ Advisory Program
 - If the advisory program does continue like from the 2019-2020 school year, Bethany wants to observe how it works with teachers before making any changes to the current program.
 - It was brought up that many parents are hoping that the program does return and viewed it as a positive addition to the middle school.
 - A question was brought up about math grouping in the middle school. Will they be grouped by ability or just one class? Bethany has to talk to Mrs. Brinkley about her thoughts on that topic.
