### I. Prayer

### II. Meeting Minutes Approved- 12/13/2021

### III. Tuition/Book Fee

- 3% increase for 2022-2023
- Fr. Hambrough raised the discussion on whether we should include the “Program fee including IT support” into the overall Tuition cost
  - 2022-2023 Program Fee including IT support fee is \$224 per family
  - Discussion led to the decision to keep the fee itemized under the Registration fees
    - Concerns that the fee will get “lost” if it is lumped into the Tuition fees- would definitely need to be documented that it is included in the Tuition cost
    - Adding this fee to our Tuition will put us over a visually appealing threshold- ex. tuition cost for 3 students or more will be \$10,152 (over the \$10K); prospective families may only be considering tuition cost rather than factoring in registration fees, and we want to keep that actual tuition cost as low as we can considering we are one of the higher costing Catholic schools in South County as it is

### IV. Open House

- Promo mailer is en route to houses (Gabe Kiley)
- Social Media posts are in work (Nicole Farris)
- Student Ambassadors-
  - work is in place to get approx. 10 students trained (Ann will have updated scripts available for tours)
  - students will be speaking at Mass prior to Open House
