

**Week at A Glance**  
**PK 4 Ms. Kim**  
**August 31-September 4**

Monday 31	Tuesday 1	Wednesday 2	Thursday 3	Friday 4

**Skills:**

\*This week our theme will be “All About Me”, Family, and Feelings. We will focus on AB as our pattern, consisting of a group of two things (ie: blue, red or cat, dog...). We will also begin graphing the weather as September begins and continue this throughout the year. In Religion we will focus on the story of Creation and continue to practice the “Angel of God” and “Bless Us Oh Lord” prayers.

**School/Classroom Notes:** There are no new events for our calendar this week.

\*Exciting News: Although my class will still be based out of two classrooms, due to the change in numbers, we will be able to combine at times and be together for all instruction. This will enable us to learn together and from one another as well as improve social growth and make new friends! During this time, safety protocols will remain a priority and continue to be followed according to school and health policies. We will continue to use both classrooms for snack, lunch, rest times and other times when masks are not able to be used so we may continue to maintain proper social distancing and decrease exposure.

Reminders:

\*Masks: Although I know it is difficult, please make sure your child’s mask fits as securely as possible, covering their nose and mouth. We have had quite a bit of difficulty with slipping of masks, leaving exposed areas. Please continue to practice having your child take off and on their mask. Also, if you have not yet sent a clip for your child’s mask, attached to their clothing, please do so. This is very helpful when masks are removed for snack, lunch, rest time...

\*If you have not yet done so, please remember to send back the Parent Contact Card and Preschool Informational Form as well as your family picture so we may place it on our "Family Tree". The kiddos love to look at them and have made a special frame for them!

\*When sending back your child's clean blanket at the beginning of the week it is not necessary to send a new bag. I have their individual bags here at school as well as new bags should they be needed.

I hope everyone had a wonderful weekend!
