

**Week at A Glance**  
**PK 4 Ms. Kim**  
**December 3-7**

Monday 3	Tuesday 4	Wednesday 5	Thursday 6	Friday 7
		Library - Return Books  Santa Secret Shoppe for Pre-K		

**Skills:**

\*It's hard to believe December is already here! We will begin our Christmas themes this month, this week being Advent and angels. We will focus on the letter Mm as our letter of the week and the number 11 as our number of the week. We will begin AABB as our pattern for December. This still consists of a group of two different things, but in a new order (ie: blue, blue, red, red or cat, cat, dog, dog...). In religion, along with our theme, we will discuss Advent and how angels have a special relation to the Christmas season.

**School/Classroom Notes, Reminders & Upcoming News:**

\*Ms. Pat will see the Dr. again this week. We pray her ankle is continuing to heal nicely and that she continues to do well!

\*Santa's Shoppe is this week. Preschool will shop on Wednesday at various times throughout the day. If your child is participating please send in the designated envelope, sent home from school, on Wednesday morning. Please be sure to put their name on the envelope, any notes, names of family members or friends they may be shopping for, and an amount they are allowed to spend. This will help a great deal when helping your little one shop. We will have the help of our big buddies as well!

\*Reminder: MARK YOUR CALENDARS! Our preschool Christmas program is right around the corner. We hope everyone can join us December 10 from 6:00 - 7:30 p.m. in the school gym. Cookies will be served in the cafeteria following the program. We look forward to a fun filled evening!

Hope everyone had a nice weekend!

Ms. Kim
