Skills:

*Welcome to 2020! Our first week back has been busy and the kiddos have done a great job transitioning back into the school routine! The upcoming letter of the week will be Oo and the number of the week will be 14. We will continue our math notebooks throughout the year, identifying numbers through 20 and the quantities that go with it. We will repeat and review the AB pattern for the month of January, consisting of two different things in a specific sequence (ie: blue, red, blue, red or cat, dog, cat, dog...). In religion we have been talking about Epiphany and how this relates to Jesus and the wisemen. We have been reviewing the most recent WOW (Word of the Week) words from before the Christmas holiday (and, cat, sad). As a reminder these words follow the CVC (consonant, vowel, consonant) pattern of letters that make words.

School/Classroom Notes:

*Both Thursday and Friday will be our PK Pajama Parties so that all our friends can participate depending on which day they attend school. There will be special activities in all the PK classrooms where all the kiddos will get to participate as we rotate rooms. Snack will be provided on both these days. Your child may wear their PJ's to school along with school appropriate shoes (no slippers please).

*Report cards will be sent home on January 21 and 22, depending on the day your child attends school. Conferences are optional and will be held on January 23. If you have not yet signed up, but are interested in a 10-minute slot, please go to the link below to schedule your preferred time.
