**Skills:**

\*We are happy to say all five of our caterpillars emerged into butterflies and were released the end of last week. It was very exciting to see them fly away or explore the flower garden outside the cafeteria as they began their new adventures into the world! This week we will continue to review upper and lower case letters, numbers 0-20, and patterns AB, ABB, ABC, and AABB with a specific focus on ABB. In Religion we will continue talking and praying about topics from the daily devotional bible that's made just for kiddos! There is quite a bit going on these last couple weeks, so please be sure to read the notes attached and any other information that may come home! Information can always be found on my QAS website as well.

**School/Classroom Notes:**

\*Preschool Graduation will be held in the gym on Tuesday, May 15 beginning at 6:00 p.m. Please drop your child off in the classroom between 5:30-5:45.

\*Olympic Day is Friday, May 18: We will attend 8:15 Mass with our buddies. After Mass we will proceed to the upper parking lot outside of school where we will stand as a class as the Torch is handed off to students and finally used to light the big torch that's located in the center of the parking lot. Preschool will then begin Olympic Day activities between the rectory and the fields.

Set Up: Please arrive by 8:00 if you are helping set up the preschool Olympic Day activities. Dismissal is at 11:30, following Olympic Day, for all students on Friday, May 18.

**Please have your child wear their Tie-Dye t-shirt for Olympic Day!!!**

**Please remember to fill out the survey sent out to parents to RSVP if you will be staying for lunch with your child after Olympic Day!**
