

**Week At A Glance**  
**PK 4 Ms. Kim**  
**November 9-13**

Monday 9	Tuesday 10	Wednesday 11	Thursday 12	Friday 13
<b>Send an oversized short sleeve t-shirt for dinosaur dig (see details below)</b>				Scholastic Book Order Due

**Skills:**

\*Last week our theme was Opposites! We worked on skills such as thinking of and putting together opposite items, copying lower case letters, letter and sound identification, counting and matching quantities, practicing the ABC pattern, cutting, and fine motor skills. In art, Ms. Mary helped to create Day and Night to reinforce opposites. In addition, we especially enjoyed camping in the play center! The camping box was one of the donated items we received as part of the classroom wish list! There is even a real tent to play in! We also went on a Fall Scavenger Hunt to find specific items and collected our treasures in baggies that could be brought home! We were so thankful for such beautiful weather that allowed us to enjoy our walk even more! Feel free to check out the new pictures on my QAS website of our scavenger hunt.

\*This week our theme will be Dinosaurs, which is a favorite among the kiddos! The letter of the week will be "Hh" and the number of the week will be "9". We will continue to focus on the ABC pattern consisting of a group of three different things (ie: blue, red, yellow or cat, dog, pig...). We will also continue graphing the weather using the ABC pattern. In Religion we will focus on giving thanks to God as well as continue to practice our daily prayers.

**School/Classroom Notes:**

**\*We will begin a dinosaur dig on Monday, which could get a bit dusty! In a baggie, marked with your child's name, please send an oversized short sleeve t-shirt (maybe an old one of mom or dads) for your child to wear.**
