## Special Notes & Reminders:

\*Please send in a family photo to be displayed on our classroom wall if you have not already done so.

**\*Foundations, Unit 2 packet is due Friday, September 17.** Although this is not mandatory, completing it is highly recommended. A special reward will be earned by students who turn their packet in. **Please have your child hold onto each packet until they are due. If your child is absent on the due date they may turn it in when they return to school.** There are skills we are learning in class up until the packets are due and having their packet at home to refer to is beneficial.

**\*Please send an extra empty water bottle, labeled with your child's name, to be kept at school in the event your child forgets their water bottle. Since we only have bottle refill stations, it makes it difficult if your child does not have a water bottle for the day.**

**In addition, please remember to send a snack with your child daily.**

**Thank you for helping with these items!**

\*A flyer was sent home on Friday with your child's login information for Xtra Math. Please feel free to utilize this at home, in a way that works with your schedule, in addition to school. This is also something we would use in the event of virtual learning.

Have a great week!
