Stay In the Know: (notes & reminders)

***Reminder:** This Friday, April 26 is the Fundation Unit 15 homework packet turn-in day and assessment.

***This will be the last week Math Fact practice papers will be sent home and assessments given in paper form. We will continue to practice Math Facts through Xtra math to increase mental math fluency and speed in preparation for 3rd grade. You may also practice at home, in addition to school, for extra practice. If your child's login information that was sent home earlier in the year has been misplaced and an additional copy is needed, please let me know and I will be happy to send one home.**

***Reminder: May Crowning**

Date: Wednesday, May 1st, 2024

Time: 8:15 am All School Mass at QAS

-Second Grade students will be helping with this mass.

-Students should wear their First Communion clothes to school that morning. If your child did not attend the First Communion ceremony they may wear:

-Girls: a white, modest dress

-Boys: a suit, or a white shirt tucked into dark colored pants, with a tie

-Students may bring their PE uniform clothes to change into after the mass.

***Thank you so much for the many boxes of Kleenexes that were donated! I think we now have enough that we should be able to get through until the end of the year! Everyone's help has been greatly appreciated!**

Have a great week!
